Shri Santosh Shukla Ji,

Thank you for your Diwali wishes. I too convey my greetings and pray for your wellbeing, good health and prosperity.

May Diwali and this festive season give us all even greater energy to work towards the development of our nation. In the run up to Diwali, several citizens took part in the 'Sankalp Se Siddhi' movement, in which they expressed their active desire to work towards nation building. Let us reaffirm our commitment to realise our 'Sankalp' into 'Siddhi' and create a new India by 2022, when we mark 75 years of freedom.

On 31st October, the Jayanti of Sardar Patel, India will 'Run for Unity.' This run celebrates India's ethos of unity in diversity and is a tribute to Sardar Patel's effort to integrate India. I urge you to take part in the 'Run for Unity' and inspire others to do the same.

Once again, thank you for your Diwali wishes.

Yours,

(Narendra Modi)
